# Bullying is Wrong

**A bully is someone who hurts other people.**

A bully can hurt you by

- ? Calling you names
- ? Saying bad things about you
- ? Saying they will hurt you
- ? Punching, hitting or kicking you
- ? Ruining your things
- ? Not letting you join in games.

**Bullying is wrong. We want bullying to stop.**

Bullying is scary:

- ? It makes you feel bad
- ? It can make you not want to go to school
- ? It can make playtime and lunchtime no fun
- ? It can hurt on the inside
- ? It can hurt on the outside
- ? It can make you feel lonely
- ? It can be by someone younger than you
- ? It can be by someone smaller than you
- ? It is not your fault
- ? It is not a normal part of going to school
